

Chairs -> 2 Way Tilt in space chair -> Royal Waterfall Back

2-WAY TILT-IN-SPACE CHAIR

The 2-way mechanism ensures a smooth movement going into recline and lift. The angle of the back and seat during these movements remain constant, hence this chair is ideal if you have a back problem and do not wish for the position of your back to change.

Practicality and versatility combined with modern styling are the key features which make the Royal one of the most popular chairs on the market. Large supportive wings ensure the cushions are held in position while the three bolster cushions, each with its own zipped back, enable the users to create their own personalised configuration.

Weight	Seat Height	Seat Depth	Seat Width
0 - 18 Stones	16" - 19"	17" - 20"	17" - 20"
18 - 25 Stones	18" - 21"	18" - 21"	18" - 22"
