

Chairs -> Bariatric Chair -> Royal Waterfall Back

BARIATRIC CHAIR

These chairs are for the over 35 stone client. They have 3 motors, two power the footrest, one powers the back and two power the lift operation. The footrest has a leg lift capacity of 22 stones. The seat widths available are from 30" to 34". The 2 weight capacities are 50 stone and 70 stone lift respectively.

Practicality and versatility combined with modern styling are the key features which make the Royal one of the most popular chairs on the market. Large supportive wings ensure the cushions are held in position while the three bolster cushions, each with its own zipped back, enable the users to create their own personalised configuration.

Weight	Seat Height	Seat Depth	Seat Width
35 - 60 Stones	19" - 22"	19" - 22"	30" and 36"
