

Settees -> Two seater settee -> Royal Waterfall Back

## 2-SEATER SETTEE

The 2 seater settee. Handcrafted to compliment any of the six styles of chair that we manufacture.

Practicality and versatility combined with modern styling are the key features which make the Royal one of the most popular chairs on the market. Large supportive wings ensure the cushions are held in position while the three bolster cushions, each with its own zipped back, enable the users to create their own personalised configuration.
