

Beds -> Cromwell -> Reflexion Foam Mattress

CROMWELL

A traditional looking bed designed with practicality and a budget in mind. A single bed supported by four highly polished teak skittle legs, ideally suited for hoists and over-bed tables, giving an ample clearance of 6.5".

Manufactured using birch hardwood supporting rails and corner gussets, which give a strong but basic design. Complimented by our quality upholstery and your choice of mattress.

The Reflexion mattress combines both the Reflex foam and the Vasco memory foam, providing pressure relief and enabling the correct posture to be maintained. Finished in a superior quality 2 way stretch fabric, this mattress cradles the body for the ultimate in comfort and relaxation.
