

## Beds -> Balmoral -> Pocket Sprung Mattress

### BALMORAL

The Balmoral is a sumptuous looking bed with a luxury fully padded and upholstered surround, its head and foot ends do away with the need for separate head and footboards. This deluxe bed has been designed with those in mind who appreciate a supreme product.

The Pocket sprung mattress has been manufactured with comfort and support in mind, with its individually pocketed springs designed to contour on an adjustable bed. Upholstered in a matching cream damask fabric with brass ventilators and side handles for ease of lifting and turning.
