

Beds -> Balmoral -> Reflex Foam Mattress

## BALMORAL

The Balmoral is a sumptuous looking bed with a luxury fully padded and upholstered surround, its head and foot ends do away with the need for separate head and footboards. This deluxe bed has been designed with those in mind who appreciate a supreme product.

The Reflex mattress is made up of high quality foam and upholstered in a matching cream damask fabric giving an outstanding look and feel. The foam is available in different densities for various user weights for a relaxing nights sleep.
