

Rise & Recline

The original rise and recline

Premier

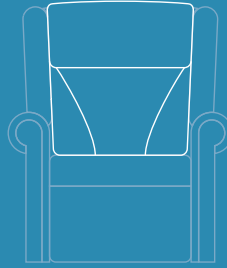

MADE TO FIT CHAIR RANGE

Premier Chair Range

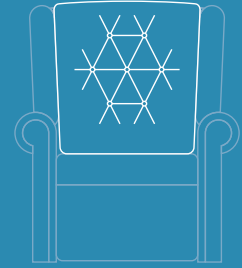

The Royal Waterfall

The three bolster cushions, each removable with its own zipped back, enable the users to create their own personalised configuration for maximum comfort.

The Admiral Lateral

A combination of two removable cushions (headrest and main body) provide more personalised support if you have spinal problems or trouble staying sitting upright.

The Hampton Button

A single traditional style back removable cushion which provides good support throughout the range of positions.

All Premier Range Chairs are available with 3 different mechanisms and scroll arms as standard.

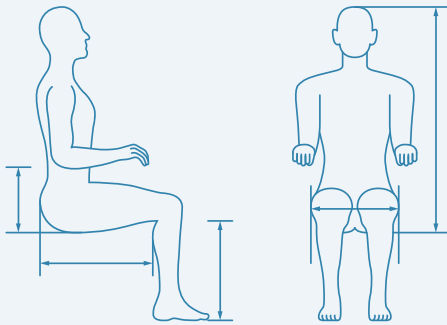

Please ensure you seek the advice of a Rise & Recline trained person before making your mechanism selection.

ALL THE RISE & RECLINE QUALITY

The Premier chairs are a limited range which for many people would naturally be the chair of choice. This is because it combines the most common sizes, recliner movements, back styles, a wide selection of fabrics and the most popular accessories.

A CHOICE OF

- 2 mechanisms/movements
- 3 backs
- 4 sizes
- 11 fabrics

Comfort – because it's made to fit your body shape

Control – because it's designed around your needs

Without Compromise – because you're investing in your wellbeing, independence and a beautiful piece of furniture

Rise & Recline is the only British Medical Device certified manufacturer making "made to fit chairs" for comfort & control, without compromise.

DESIGNED FOR YOU AND YOUR WELLBEING

The Premier Range takes Rise & Reclines' most popular chair mechanisms, backs styles, measurements and fabrics. It Combines them with the most common sizing dimensions to provide all of the benefits of a fully bespoke chair but at a lower price point.

This is because the Premier Range uses the most common components, plus it has a streamlined range of optional extras and fabric choices.

Available in two mechanisms, Dual Standard and Dual Tilt-in-Space

A CHOICE OF WARRANTIES TO GIVE YOU TOTAL PEACE OF MIND

- Manufacturers warranty, this is 24 months warranty on the frame, mechanism and mechanics of the product and does not cover stains, fabric wear or tears.
- Staingard warranty is 5 year comprehensive care plan. It provides cover for your chair against stains and accidental damage. It also covers structural defects either not covered in, or exceeding the manufacturers 2 year warranty. Any Staingard policy purchased to insure a Rise & Recline product is an independent agreement between the customer and Staingard.
